* Cannot be combined with individual rebates for the same LP products.

PLEASE NOTE:

- A minimum of 10 homes to qualify (EWP & OSB). 50 home minimum for siding.
- Program intended as an incentive for licensed builders only.
- Program applies to single-family and multi-family homes only.
- Allowances cannot be combined with another LP promotional offer or program.
- Not all products are available in all markets. Please contact your local dealer or distributor for product availability.
- Participants will cooperate with LP to obtain access to homes for promotional purposes, including home photos.
- Participants in the program agree to provide proof of purchase information if audits conducted by LP require such information to validate a claim.
- Participants in the program agree to refund any allowances if audits show that compliance with program use requirements were not met.
- Enrollments for the 2010 BAP program must be received by 12/31/10.
- This program will apply to properly completed rebate submittals or forms received on or before March 31, 2011, for LP products purchased on or before December 31, 2010. All valid claims received on or prior to March 31, 2011, will be paid in full according to the program rules in effect. Claims received after March 31, 2011, for the 2010 program will not be honored.
- For additional information, visit LPCorp.com or contact your LP representative.
